Finding Us

We are located at:

20 Menai Road

Woronora

Sydney, NSW 2232

Parking

We endeavour to ensure that all our third-party training venues have ample access to public parking. If public parking is limited or not available, our staff will advise you as part of your joining instruction, so you have plenty of time to prepare. Training staff will provide regular breaks so cars can be moved if required.

Public Transport

Westbourne College ensures that training delivery is only conducted in third party locations that are in very close proximity to public transport. We are conscious that not everybody has their own vehicle so we make training as accessible and equitable for all as possible.

Lunch Options

As with parking and public transport, we ensure our training venues are located close to a range of food outlets that provide options for lunch and during breaks. Training venues will also have student amenities available, including fridges and microwave ovens, so you can bring consumables to training if you want.

Their industry experience is continually up to date by participating in professional development activities, therefore giving our learners the best practical industry experience.

Unique Student Identifier

If you're studying nationally recognised training in Australia from 1 January 2015, you will be required to have a Unique Student Identifier (USI). Your USI links to an online account that contains all your training records and results (transcript) that you have completed from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016.

When applying for a job or enrolling in further study, you will often need to provide your training records and results (transcript). One of the main benefits of the USI is the ability to provide learners with easy access to their training records and results (transcript) throughout their life. You can access your USI account online from your computer, tablet or smart phone anytime. Fact sheets –available to download [Student Information for the USI](#)

It's free and easy to [create your own USI](#) and will only take a few minutes of your time. Alternatively, we can create your USI on your behalf. To do this we will need some additional

identification information from you such as your driver's licence number.

Learners are advised that there are a number of unique circumstances where a person may be exempt from requiring a USI. These do not apply to the vast majority of learners in Australia. The USI Exemption information is available from the USI website which explains these circumstances [Exemptions from the USI | Unique Student Identifier](#). Learners who exercise an exemption from submitting a USI should be aware that the results of the training will not be accessible through the Commonwealth and will not appear on any authenticated VET transcript prepared by the USI Registrar.

Your safety

Westbourne College is committed to providing you a safe environment in which to participate in training and assessment. We are aware under the Work Health and Safety Act 2011 of our responsibilities to maintain a safe environment.

consult available maps to determine location.

- It is the user's responsibility to understand fire drill procedures displayed around the premises.
- Users are asked to attend any sessions on fire safety procedures and the use of fire safety devices.

First aid

- Provision for first aid facilities are available where training is delivered. The location of First Aid kits will be provided during your induction on Day 1.

Learners should expect fair and friendly behaviour from Westbourne College staff members and we apply complaint handling procedures advocated by the Australian Human Rights and Equal Opportunity Commission (HREOC).

Learners who feel that they have been discriminated against or harassed should report this information to a staff member of Westbourne College that they feel they can trust. This will initiate a complaint handling procedure which will

be fair and transparent and will protect your rights as a complainant. Alternatively, if a learner wishes to report an instance of discrimination or harassment to an agency external to Westbourne College, they are advised to contact the HREOC Complaints Info-line on 1300 369 711 or email infoservice@humanrights.gov.au

All subsequent transfers will attract an administration charge of \$55.00 (incl. GST).

Statutory cooling off period

The Standards for Registered Training Organisations require Westbourne College to inform persons considering enrolment of their right to a statutory cooling off period. A statutory cooling off period (which is 10 days) is a period of time provided to a consumer to allow them to withdraw from a consumer agreement, where that agreement was established through unsolicited marketing or sales tactics. These include tactic such as door-to-door sales and telemarketing. A statutory cooling off period allows a consumer to withdraw from a sales agreement within 10 days of having received a sale contract without penalty.

It must be noted that Westbourne College do not engage in unsolicited marketing or sales tactics and therefore a statutory cooling off period is not applicable to our learners who

have enrolled into a program. For refund option in other circumstances, learners must refer to the above refund policy.

Our Guarantee to Clients

If Westbourne College cancels or ceases to provide training, Westbourne College must issue a full refund for any services not yet provided. The basis for determining “services not yet provided” is to be based on the units of competency completed by the learner and which can be issued in a statement of attainment at the time the service is ceased.

As an example: A learner enrolled in a course of 10 units of competency and paid \$1,500.00 up front as the total course fee. The course was cancelled due to the trainer falling ill and the learner at that time had completed 4 of the 10 units. The learner’s enrolment would be finalised and the learner would receive a Statement of Attainment for the 4 completed units. The learner would also receive a refund of \$900.00 which represents that value of the training not delivered.

Changes to terms and conditions

Westbourne College reserves the right to amend the conditions of the learner’s enrolment at any time. If amendments are made that effect the learner’s enrolment the learner will be informed 7 days prior to changes taking effect.

Protection under Australian Consumer Law

A student undertaking a vocational education and training course, you are protected under Australian Consumer Law and also under State and Territory consumer protection laws. These protections include areas such as unfair contract

terms, the consumer guarantees and sales practices. You can find out more information about your rights as a consumer from the Australian Consumer Law website which includes a range of helpful guides relating to specific areas of protection. Please visit the following site for more information: [The Australian Consumer Law | Consumer Law](#)

Accessing your records

You are entitled to have access to your records. These records include your:

- learner file,
- learning and assessment record,
- administrative records,
- AQF certificates including a reissuance of a statement of attainment or qualification which has been previously issued.

You may require these records to monitor your progress with training or simply to go back and confirm something in a previous training module. Whilst these records will be retained by Westbourne College, you are welcome to have access anytime just ask your trainer and it will be organised immediately.

You can access hard copy records and reports from our learner management system, but only relating to you personally. You can request this access using the Learner Records Request Form. Access to requested records during a work day will be arranged as soon as possible and definitely within 24 hours. Learners should note that these records cannot be taken away unless a copy is requested. Where photocopies are requested, Westbourne College reserves the right to charge a

one-off photocopy fee of \$10.00. There is no cost to simply view records at our office.

In the case of accessing a reissuance of a previously issued Statement of Attainment or Qualification certificate, if you have lost or misplaced your AQF certificate you may obtain a reissued certificate from Westbourne College. To obtain this you must complete the Learner Records Request Form and return this to the Office Manager. The cost of \$50.00 will apply for each issued AQF certificate. These monies must be paid in advance. Reissued AQF certificates will be an exact duplicate of the original with the exception of small wording at the bottom of the document which identifies the certificate as reissued. AQF certificates may only be collected in person or can be posted via registered post. A learner may also nominate another person to collect the certificate, however these persons must be notified to Westbourne College beforehand and the person must provide photo ID to validate their identity.

Continuous improvement

Westbourne College is committed to the continuous improvement of our training and assessment services, learner services and management systems. Central to this commitment is our approach to continuous improvement and the procedures we apply to achieve systematic and sustained improvement.

Suggesting improvements

The primary method of reporting opportunities for improvement by learners is via the continuous improvement reporting procedure. This procedure allows any person to raise a Continuous Improvement Report for consideration by Management. Often these reports will be generated after an opportunity for

improvement has been identified by a staff member or learner. The Continuous Improvement Report template is available on request. Learners are encouraged to provide feedback to Westbourne College so we can improve our services in the future.

Learner satisfaction survey

At the completion of your training program, you will be issued with a Learner Satisfaction Questionnaire. This is a nationally consistent survey tool which is designed to collect feedback from learners about their experience with an RTO and in undertaking nationally recognised training. Your completion and return of this survey is important to Westbourne College for our ongoing improvement of services and to enable us to report this information to our registering authority. Your assistance in gathering this survey data is greatly appreciated.

Assessment

At Westbourne College assessment is conducted using a combination of Written Knowledge Assessment, Research Tasks, Case Studies, Work Log Book, Supervisor Feedback and Workplace Observation.

The following provides a brief explanation of the primary assessment methods:

- **Written Knowledge Assessment:** The learner is required to provide a written response to a range of questions relating to required knowledge of the units of competency. These would generally be short answer response activities and may include other questioning methods including multiple-choice.
- **Research Tasks:** The learner is required to undertake research within their own workplace

and the available reference material and provide a written response to each question. These assessment activities are usually short to medium answer response activities. The responses provided by the learner will largely be specific to their workplace.

- **Case Study Response:** The learner is required to provide a written response to a situation presented in a case study scenario. This will usually require the learner to consider carefully the situation presented, undertake some research to inform their response and then to propose their recommended actions.
- **Workplace Log book:** The learner is required to record details of their work activity completed during the work placement. These details are recorded against specified tasks which are predesigned for the learner to complete. This forms an important part of the assessment evidence as it often includes critical evidence that is otherwise difficult for the assessor to observe.
- **Supervisor Feedback:** The assessor will periodically engage with workplace supervisors to seek their feedback about the learner's performance. This is undertaken as an interview with a duration of approximately 15 to 20 minutes. This interview can be undertaken over the phone or face to face. Feedback from a supervisor is recorded into the assessment record.
- **Workplace Observation:** The learner will be observed performing specific tasks in their day-to-day work activities. The assessor will attend the workplace and observe the learner performing tasks relevant to the units of competency being assessed. The learner will be briefed on these observation activities in events and is required to make arrangements to

undertake these activities when the assessor is in attendance at the workplace.

Re-assessment

Learners who are assessed as not yet competent are to be provided with detailed verbal and written feedback to assist them to identify the gaps in their knowledge and skills to be addressed through further training. These learners are to be provided with additional training and learning support to target their specific gaps in knowledge and/or skills and prepare them for additional assessment.

It is the policy of Westbourne College to provide three opportunities for additional training and re-assessment at no additional cost to the learner or employer. Learners who require additional training and re-assessment after they have exhausted their three opportunities will be required to pay a fee for additional training and re-assessment. Please refer to the current fee schedule to identify the re-assessment fee.

Learners requiring additional learning support are to be brought to the attention of Westbourne College management so the progress of the learner can be monitored closely and additional support services can be applied well before it becomes necessary to impose an additional fee for re-assessment. Where learners repeatedly do not demonstrate competence following significant learning and assessment support, a learner's enrolment can be determined through mutual agreement.

Issuing Qualifications and Statements of Attainment

Westbourne College will issue all AQF certification documentation (Qualifications and Statements of

Attainment) to a learner within 30 calendar days of the learner being assessed as meeting the requirements of the training product if the training program in which the learner is enrolled is complete, and providing all agreed fees the learner owes to Westbourne College have been paid.

Language, literacy & numeracy skills

Language, literacy and numeracy skills are critical to almost all areas of work. This is particularly true in many vocations where language, literacy and numeracy skills influence the performance of workplace tasks such as measuring, weighing and comprehending written work instructions.

To support this approach Westbourne College will:

- Assess a learner's language, literacy and numeracy skills during their enrolment to ensure they have adequate skills to complete the training;
- Support learners during their study with training and assessment materials and strategies that are easily understood and suitable to the level of the workplace skills being delivered;
- Provide clear information to learners about the details of the language, literacy and numeracy assistance available. Westbourne College generally recommend the LLN training courses provided by TAFE, AMAP, SEE, NAVITAS. These institutes have specialist teachers to support the learner's development.
- Refer learners to external language, literacy and numeracy support services that are beyond the support available within

Westbourne College and where this level of support is assessed as necessary; and

- Negotiate an extension of time to complete training programs if necessary.

Making complaints & appeals

Westbourne College is committed to providing a fair and transparent complaints and appeals process that includes access to an independent external body if required. To make a complaint or an appeal, you are requested to complete one of the following forms:

- Complaint Form
- Request for Appeal of a Decision

To request these forms, please contact admin@westbournecollege.edu.au

What is a complaint?

A complaint is negative feedback about services or staff which has not been resolved locally. A complaint may be received by Westbourne College in any form and does not need to be formally documented by the complainant in order

to be acted on. Complaints may be made by any person but are generally made by learners and/or employers.

What is an appeal?

An appeal is an application by a learner for reconsideration of an unfavourable decision or finding during training and/or assessment. An appeal must be made in writing and specify the particulars of the decision or finding in dispute. Appeals must be submitted to Westbourne College within **28 days** of the learner being informed of the decision or finding.

Early resolution of complaints & appeals

In all cases, issues that arise during training and assessment that are the source of frustration or are in dispute should be resolved at the time, as they occur between the persons involved, where possible. Sometimes, it will not be possible and in these cases, you are encouraged to come forward and inform us of your concerns with the confidence that you will be treated fairly.

Complaint and appeals handling

Westbourne College applies the following principles to its complaints and appeals handling:

- A complaint or appeal may be received in any form (written, verbal) although persons seeking to make a complaint are recommended to complete the complaint form or request for an appeal of a decision which are available on the Westbourne College website.
- A person who makes a complaint or an appeal must be **provided a written acknowledgement** as soon as possible and **not later than 24 hours** from the time the complaint or the appeal is received. This

acknowledgement is intended to provide the person assurance that Westbourne College had received the complaint or the appeal and will review the relevant issues and provide a response. The acknowledgement must inform the person that they will receive a written response within 14 days.

- There is no time limitation on a person who is seeking to make a complaint. An appeal however must be made within 28 days of the person being informed of the decision or finding of which they intend to appeal.
- Written records of all complaints / appeals are to be kept by Westbourne College including all details of lodgement, response and resolution. Westbourne College will maintain complaints / appeals register to be used to record the details of the complaint / appeal and to maintain a chronological journal of events during the handling process. Records relating to complaint / appeal handling are stored securely to prevent access to unauthorised personnel.
- A person making a complaint or seeking an appeal is to be provided an opportunity to formally present his or her case at no cost.
- Each person may be accompanied and/or assisted by a support person at any relevant meeting.
- Where a complaint or appeal is made about or involves allegations about another person, Westbourne College is obliged to inform this person about this complaint/appeal or allegation and provide them the opportunity to respond and present information in response to the issues raised. This may be achieved through direct meetings or meeting via an electronic means. Westbourne College

will maintain a detailed record of these meetings in the form of a record of conversation. At all times information must be handled sensitively and treated in confidence. Persons involved in a dispute or complaint should be reminded to treat each other with respect and conduct themselves in a professional and courteous manner.

- The handling of a complaint / appeal is to commence within **seven (7) working days** of the lodgement of the complaint / appeal and all reasonable measures are taken to finalise the process as soon as practicable.
- The person making a complaint or seeking an appeal is to be provided a written response to the complaint / appeal, including details of the reasons for the outcome. A written response must be provided to the person within **fourteen (14) days** of the lodgement of the complaint / appeal.
- Complaints / appeals must be resolved to a final outcome **within sixty (60) days** of the complaint / appeal being initially received. Where Westbourne College Chief Executive Officer considers that more than 60 calendar days are required to process and finalise the complaint / appeal, the CEO must inform the person making a complaint or seeking an appeal in writing, including reasons why more than 60 calendar days are required. As a benchmark, Westbourne College will attempt to resolve complaints / appeals as soon as possible. A timeframe to resolve a complaint / appeal within thirty (30) days is considered acceptable and in the best interest of Westbourne College and the person making a complaint or seeking an appeal. A person making a complaint or seeking an appeal should also be provided with regular updates to inform them of the progress of the

complaint / appeal handling. Updates should be provided to the person making a complaint or seeking an appeal at a minimum of two (2) weekly intervals.

- Westbourne College shall maintain the enrolment of the person making a complaint or seeking an appeal during the handling process.
- Decisions or outcomes of the complaint / appeal handling process that find in the favour of the person making a complaint or seeking an appeal shall be implemented immediately.
- Complaints / appeals are to be handled in the strictest of confidence. No Westbourne College representative will disclose information to any person without the permission of Westbourne College Chief Executive Officer. A decision to release information to third parties can only be made after the person making a complaint or seeking an appeal has given permission for this to occur. This permission should be given using the Information Release Form.
- Complaints / appeals are to be considered and handled to ensure the principles of natural justice and procedural fairness are applied at every stage of the handling process. This means that the person making a complaint or seeking an appeal is entitled to be heard with access to all relevant information and with the right of reply. The person making a complaint or seeking an appeal is entitled to have their complaint heard by a person that is without bias and may not be affected by the decision. Finally, the decision must be made based on logical evidence and the decision-maker must take account of relevant considerations, must

act for a proper purpose and must not take into account irrelevant considerations.

- Further guidance on principles of natural justice and procedural fairness can be accessed at the following link:
<http://www.ombo.nsw.gov.au/>

Informing Persons and Responding to Allegations

Where a complaint involves one person making allegations about another person, it is a requirement for Westbourne College to hear both sides of the matter before making any judgements about how the complaint should be settled. A person who will be affected by a decision made by Westbourne College as a result of a complaint has the right to be fully informed of any allegations and to be provided adequate opportunity to be heard and respond. The person has the right to:

- put forward arguments in their favour,
- show cause why a proposed action should not be taken,
- deny allegations,
- call for evidence to disprove allegations and claims,
- explain allegations or present an innocent explanation, and
- provide mitigating circumstances (information aimed at reducing the severity, seriousness, of something).

Westbourne College also has an obligation to fully consider the substance of allegations and the response provided by parties before making a decision. Decisions must be communicated to the complainant and relevant persons subject of allegations in writing. This is to include advising

these persons of their right to seek a third-party review of decisions made by Westbourne College.

Where an allegation is made that involve alleged criminal or illegal activity and it is considered outside the scope and expertise of Westbourne College to investigate the matter, then in these circumstances Westbourne College reserve the right to report these allegations to law enforcement authorities. Persons related to the matter involving alleged criminal or illegal activity will be advised in writing if this course of action is being taken.

Review by an independent person

Westbourne College provides the opportunity for the person making a complaint or seeking an appeal who is not satisfied with the outcomes of the complaints and appeals handling process to seek a review by an independent person. Before a person seeks a review by an independent person, they are requested to first allow Westbourne College to full consider the nature of the complaint or appeal and to fully respond to the person in writing. If after this has occurred, the person is not satisfied with the outcome, they can then seek a review by an independent person. To request a review by an independent person, the complainant or the person making an appeal should inform the Office Manager of their request who will initiate the process with the Chief Executive Officer.

In these circumstances the Westbourne College Chief Executive Officer will advise of an appropriate party independent of Westbourne College to review the complaint (and its subsequent handling) and provide advice to Westbourne College in regards to the recommended outcomes. The independent third-party is required to respond with their

recommendations within fourteen (14) working days of their review being requested.

Where the Westbourne College appoints or engages an appropriate independent person to review a complaint / appeal, Westbourne College will meet 50% of the full cost to facilitate the independent review. Where the person making a complaint or seeking an appeal objects to this appointment and requests to engage a person or organisation they nominate to undertake the review, Westbourne College may seek the person making a complaint or seeking an appeal to contribute to the cost of engaging this person and undertaking the review.

Following an independent review, advice received from the independent person is to be accepted by Westbourne College as final, advised to the person making a complaint or seeking an appeal in writing and implemented without prejudice.

Where a complaint is received by Westbourne College and the Chief Executive Officer feels that they may be bias or there is a perception of bias, then the complaint is to be referred directly to an independent third-party for consideration and response as outlined above.

Unresolved Complaints and Appeals

Where the person making a complaint or seeking an appeal is not satisfied with the handling of the matter by Westbourne College, they have the opportunity for a body that is external to Westbourne College to review his or her complaint or appeal following the internal completion of complaint or appeals process.

Learners who are not satisfied with the process applied by Westbourne College may refer their grievance to the following external agencies:

- In relation to consumer protection issues, these may be referred to the **Office of Fair Trading**.
- In relation to the delivery of training and assessment services, these may be referred to the **National Training Complaints Service** via the following phone number: **13 38 73**.

Withdrawing from a course

There are circumstances where a learner may finalise their enrolment early for personal or academic reasons. Where this is the case, the learner is requested to complete the form Application for Course Deferment / Transfer / Withdrawal. This provides the learner the opportunity to specify their reasons and select to indicate their preference to defer their enrolment, to transfer their enrolment to another course or to terminate their enrolment altogether. Where the enrolment is being deferred or terminated, learners will be issued a statement of attainment to recognise the outcomes they have achieved during their enrolment. A learner who defers and returns to complete a course will be eligible to recommence their training and receive a credit transfer for any completed units of competency. The Chief Executive Officer will review these applications, where possible is to interview the learner to understand their circumstances and is to record their decision using the section provided on the application. Learners are to be informed of this decision in writing.

Learner who are not contactable or not responding

Where a learner is not contactable or fails to respond to requests by the Westbourne College, the learner's enrolment may be terminated in absentia. This action may only be taken where the

Westbourne College has made every reasonable attempt to engage with the learner or contact the learner to seek their instructions about their intentions to continue with or complete the applicable course. Advice received from a learner via email or phone conversation communicating their request is to be accepted where the learner is not willing to complete an Application for Course Deferment / Transfer / Withdrawal. Email records and written records of phone conversations are to be retained on the learner's file as evidence of these expressed instructions from the learner.

Before a learner's enrolment can be terminated without their written or expressed consent the following protocol is to be followed:

- A minimum of three attempts (four weeks apart) must be made using the last known contact details (email, phone and mail) to contact the learner and issue the learner with a warning letter notifying them of the intent to terminate the enrolment.
- Where the learner fails to respond, the learner's enrolment is to be terminated and the learner's record within the student management system is to be updated with the outcome of "withdrawn" entered into each unit of competency that has not been completed at the time.
- Any final AQF certificate to which the learner is entitled is to be sent registered mail to the learner's last known mailing address. This should also be noted in the learner's enrolment record and a photocopy of the certificate retained on the learner's record.
- The learner's record is to be archived in accordance with the Records Retention and Management Policy.

Applicable trainers are to be informed of the learner's enrolment termination and advised to inform the Office Manager if the learner makes contact.

Recognition of Prior Learning

In accordance with the requirements of the Standards for Registered Training Organisations, Westbourne College provides the opportunity for learners to apply to have prior learning recognised toward a qualification or units of competence for which they are enrolled.

What is recognition?

Recognition involves the assessment of previously unrecognised skills and knowledge that an individual has achieved outside the formal education and training system. Recognition assesses this unrecognised learning against the requirements of a unit of competence, in respect of both entry requirements and outcomes to be achieved. By removing the need for duplication of learning, recognition encourages an individual to continue upgrading their skills and knowledge through structured education and training towards formal qualifications and improved employment outcomes. This has benefits for the individual and industry. Most importantly, it should be noted that recognition is just another form of assessment.

Recognition guidelines

The following guidelines are to be followed when an application for recognition is received:

- Any learner is entitled to apply for recognition in a course or qualification in which they are currently enrolled.

- Learners may not apply for recognition for units of competence or a qualification which are not included in Westbourne College scope of registration.
- Whilst learners may apply for recognition at any time, they are encouraged to apply before commencing a training program. This will reduce unnecessary training and guide the learner down a more efficient path to competence.
- Learners who are currently enrolled in a training program are eligible to apply for recognition in that program at no additional charge.
- Assessment via recognition is to apply the principles of assessment and the rules of evidence.
- Recognition may only be awarded for whole units of competence.

Forms of evidence for recognition

Recognition acknowledges that workplace skills and knowledge may be gained through a variety of ways including both formal and informal learning or through work-based or life experience.

Like assessment, recognition is a process whereby evidence is collected and a judgement is made by an assessor or assessment team. The judgement is made on evidence provided by candidates of the skills and knowledge that they have previously learnt through work, study, life and other experiences, and that they are currently using. It also includes evidence to confirm a candidate's ability to adapt prior learning or current competence to the context of the intended workplace or industry.

Forms of evidence toward recognition may include:

- Work records;
- Records of workplace training;
- Assessments of current skills;
- Assessments of current knowledge;
- Third party reports from current and previous supervisors or managers;
- Evidence of relevant unpaid or volunteer experience;
- Examples of work products;
- Observation by an assessor in the workplace;
- Performance appraisal; or
- Duty statements.

Many of these forms of evidence would not be sufficient on their own. When combined together, with a number of evidence items, the candidate will start to provide a strong case for competence. Westbourne College reserves the right to require candidates to undertake practical assessment activities of skills and knowledge in order to satisfy itself of a candidate's current competence.

Credit Transfer

Credit Transfer is the recognition of learning achieved through formal education and training. Under the Standards for Registered Training Organisations, units of competency issued by any RTO are to be accepted and recognised by all other RTOs. Credit Transfer allows a learner to be issued a unit of competency based on successful completion of the unit which has been previously awarded.

Evidence requirements

If you are seeking credit transfer, you are required to present your statement of attainment or qualification with a record of results for examination to Westbourne College.

These documents will provide the detail of what units of competence you have been previously issued. You must provide satisfactory evidence that the statement of attainment or qualification is authentic, is yours and that it has been issued by an Australian RTO. Statements of attainment or qualifications should be in the correct format as outlined in the Australian Qualifications Framework. You are required to submit copies only which are certified as true copies of the original.

National recognition guidelines

The following guidelines are to be followed in relation to national recognition:

- Any learner is entitled to apply for national recognition in a course or qualification in which they are currently enrolled.
- Learners may not apply for national recognition for units of competence or qualification which are not included in Westbourne College scope of registration.
- Whilst learners may apply for national recognition at any time, they are encouraged to apply before commencing a training program. This will reduce unnecessary training and guide the learner down a more efficient path to competence.
- The learner does not incur any fees for national recognition and Westbourne College does not receive any funding when national recognition is granted.

- National recognition may only be awarded for whole units of competence. Where a mapping guide identifies a partial credit, this will not be considered for national recognition and applicants will be advised to seek recognition.

Copyright is not a tangible thing. It is made up of a bundle of exclusive economic rights to do certain acts with an original work or other copyright subject-matter. These rights include the right to copy, publish, communicate (eg. broadcast, make available online) and publicly perform the copyright material.

There is no general exception that allows a work to be reproduced without infringing copyright. Where a part of a work is copied, the issue is whether a substantial part of that work has been reproduced and thus an infringement has occurred. However, there is a 10% rule which applies in relation to fair dealing copying for the purposes of research or study. A reasonable portion of a work may be copied for that purpose, and a reasonable portion is deemed to be 10% of a book of more than 10 pages or 10% of the words of a work in electronic form.
